

The System modular devices make it possible to create infinite combination between devices and plates, thanks to a complete range that is able to satisfy all design, functional and installation requirements. Colours and finishes: glossy white, bright and versatile and satin black, elegant and classy. Ideal for flush-mounting solutions (for rectangular or square boxes), surface-mounting solutions, and for special applications. The range includes commands, socket-outlets, protection, indicators, connectors and devices for the control, safety and comfort of your home.
